

Deafblind International (DbI)

THE WORLD ASSOCIATION promoting services for deafblind people

Founded over 30 years ago, Deafblind International (DbI) is the world association promoting services for people who are deafblind.

DbI brings together professionals, researchers, families, people who are deafblind and administrators to raise the awareness of deafblindness. Central to our work is to support the development of services to enable a good quality of life for children and adults of all ages who are deafblind.

Membership in DbI is available online through the website, and is open to organisations, institutions, networks and individuals.

Our Vision

To be the international association which promotes the awareness of deafblindness as a unique disability and to influence for appropriate services for deafblind people around the world.

Our Purpose

To support professionals (such as educators, administrators, researchers, medical specialists etc.) families and deafblind people to raise awareness of deafblindness. Central to our work is to support the development of services to enable a good quality of life for deafblind children and adults of all ages.
